

Kifco Water-Reels

Kifco is the leading provider of Water-Reels, hoses, pumps and sprinklers in the USA. Our portable irrigation solutions meet the needs of most applications, including sports field irrigation, construction site dust management and agricultural irrigation.

Water reels make irrigation easy. With the right setup, most fields can be fully watered with a single pass. We've created the right combination of pumps, sprinklers and reels for your business, park or sports field.
